C O L L E C T I O N

HOBIE HISTORY

HOBIE HISTORY

1950
Hobie Alter shaped his first surfboard in his parents' Laguna Beach garage.

1958
Hobie teamed up with Grubby Clark to produce the world's first fiberglass-and-foam-core boards, revolutionizing surfing.

1966
Recognizing that people needed better-quality, sport-specific clothing, Hobie started selling his now-iconic line of sportswear.

1968
After ample hands-on R&D, Hobie introduced a lightweight, beachable sailing catamaran, the Hobie 14.

1977
Seeking all-out speed, the Hobie 18 delivered serious velocity thrills to sailors worldwide.

1974
Introduced the Hobie Hawk remote controlled glider.

1984
The windsurfing scene was exploding and Hobie contributed by distributing Alpha Sailboards.

1982
Reading the water is tricky, but Hobie tamed reflected light with its line of polarized sunglasses.

1986
Pursuing new ways to play, Hobie introduced its first kayak, the Alpha Wave Ski.

1987
Ladies love watersports, so Hobie delivered fashion-forward, functional women's swimwear.

1994
The Hobie Float Cat marked the company's first cast into angling.

1994
The Hobie Wave was designed and crafted as the perfect, simple, rotomolded catamaran.

1954
Demand for Hobie's boards spiked, so he opened his first Surf Shop in Dana Point, California.

1962
After witnessing the birth of skateboarding, Hobie introduced polyurethane skateboard wheels, the sport's biggest evolution.

1970
Classic. The two-person, double-trapeze Hobie 16 became an international sensation, instantly sparking the "Hobie Way of Life".

1982
The Hobie 33 was the fastest, sleekest monohull in its class.

1985
The Hobie 17 redefined one-person multihulls, rewarding sailors with speed, performance and power.

1987
The Hobie 21 was bigger, faster, and room for more fun.

1991
The Hobie 20 immediately became the fastest set of hulls afloat, testing sailors' mettle.

The World is a Waterpark... and Since 1950 we've made the Best Rides

1996

Hobie expanded into new water and snow sports, innovating bodyboards, snowboards, wakeboards and water-skis.

1997

Hobie MirageDrive® delivered "A New Way to Kayak," by pedaling instead of paddling.

1996

The Hobie Pursuit kayak ushered in a new generation of rotomolded polyethylene touring kayaks.

2000

The Hobie Mirage Tandem introduced two-person, Mirage kayaking experience, while offering an optional sail kit.

2001

The Mirage Outback introduced kayak fishing in an SUV package.

2002

The Hobie Bravo was easy to learn, fun to ride.

2006

The versatile Mirage Adventure Island offered the ability to sail, pedal, paddle and play.

2009

Hobie landed a massive strike with the Mirage Pro Angler 14, a feature-laden, angler-specific boat.

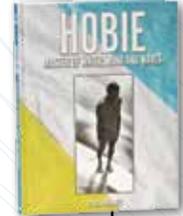

2008

Introduced Hobie Bags, totes, backpacks, and luggage so you could travel, Hobie style.

2014

Hobie Alter's epic biography.

2012

Hobie by Hurley Sportswear brought function and style to a new level.

1995

A design ahead of its time, the Hobie TriFoiler dropped jaws with its staggering speed.

1997

The Mirage® Kayak became the world's first kayak with a dedicated MirageDrive well.

2000

The Hobie Getaway, durable, rotomolded, and had room for the whole family.

2001

Formula 18 class killers, the Hobie Tiger, followed by the Wild Cat, gave sailors the design to dominate racecourses worldwide.

2005

Stand Up Paddling was all the rage and Hobie's SUP's were the best afloat.

2007

The Hobie Mirage i12S was the world's first inflatable Mirage Series kayak, offering travel-friendly fun.

2010

The Mirage Tandem Island, the Adventure Island's big brother, delivered serious two-person, multi-sport fun.

You Belong on a Hobie

At Hobie, helping people have unforgettable on-the-water experiences, ranks supreme.

We believe that kayaking and fishing should be accessible, rewarding and—above all else—fun. This starts with locomotion. For many kayakers, long hours of paddling can dampen their fun factor, and paddle splashes can startle fish and wildlife. So we asked a hard question: why labor to pull with your arms when it's infinitely more efficient to push with your legs?

The genius behind the Hobie MirageDrive's double-scissor action was developed by carefully studying how penguins swim. Our engineers realized that these amazing birds' efficient fin stroke was a perfect solution to powering your kayak or boat. After countless hours of R&D and miles of on-the-water pedaling, our breakthrough design linked a pair of cockpit-mounted pedals to a set of powerful underwater fins that are constructed out of a flexible, durable plastic. When pedaled, the fins flex to assume the shape of a propeller blade, scissoring back and forth on both the front stroke and the back stroke, yielding a smooth, efficient ride.

Hobie's new innovative MirageDrive with Glide Technology propels kayaking and fishing into a brave new era by combining the ease and go-all-day endurance of flatland cycling with the joys of kayaking. Whether it's punching across an exposed patch of water, exploring new casting grounds, or nosing through a mangrove forest at sunset, Hobie's MirageDrive delivers snappy, reliable performance, confidence-inspiring power and all-day efficiency. But this is only one element of what makes kayaking and fishing, Hobie-style, so sweet.

Here's an overview of the other innovative features that have made Hobie Kayaks and Fishing Boats world-renowned:

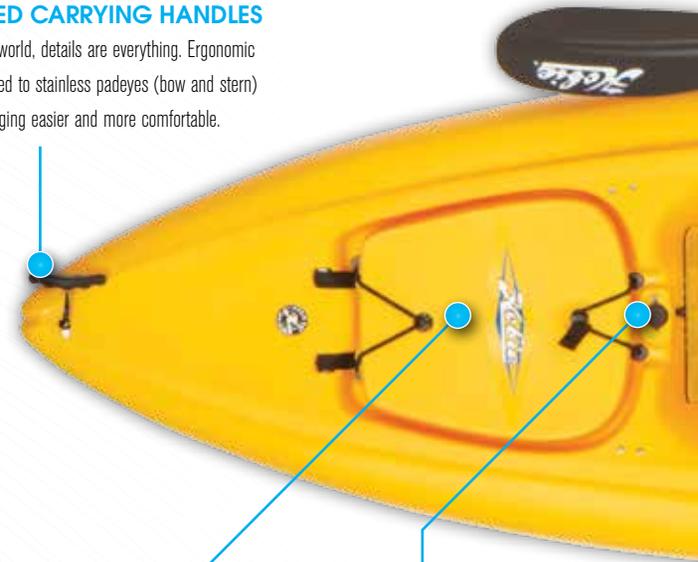

MIRAGEDRIVE w/ GLIDE TECHNOLOGY

Bio-inspired, revolutionary design, world-renowned hands-free propulsion, with no paddle needed. Adjustable for a wide range of pedalers. New Bluefins retract against the hull for shallow water and easy beach landings. Durable construction of composite materials and stainless steel masts. Quick and easy "Click and Go" installation and removal for transport and storage. New Glide Technology offers reduced resistance and increased efficiency.

MOLDED CARRYING HANDLES

In the real world, details are everything. Ergonomic handles fitted to stainless padeyes (bow and stern) make portaging easier and more comfortable.

LARGE COVERED BOW HATCH

Enables easy access to the bow's stowage compartment. A security strap with a detachable clip tethers the hatch; above-deck, Bungee® cords secure extra gear.

SAIL MOUNT

Harness the wind and your horizons expand infinitely. The optional Mirage Sail Kit's mast securely steps onto a deck-mounted fitting. Enjoy added power without complication; Mirage Sail Kits make sailing fun and easy.

FISHING ROD HOLDERS

These molded-in holsters securely tote your rods, are perfectly angled for trolling and can accommodate a gaff, nets and other gear.

DRINK HOLDER

Cold, hot or somewhere in between—we've got a convenient spot for your favorite beverage.

VANTAGE CT SEATING

New state-of-the-art design, with 4-way adjustability for more comfort in the cockpit or on the beach. Enjoy breathability, infinite flexibility and better visibility.

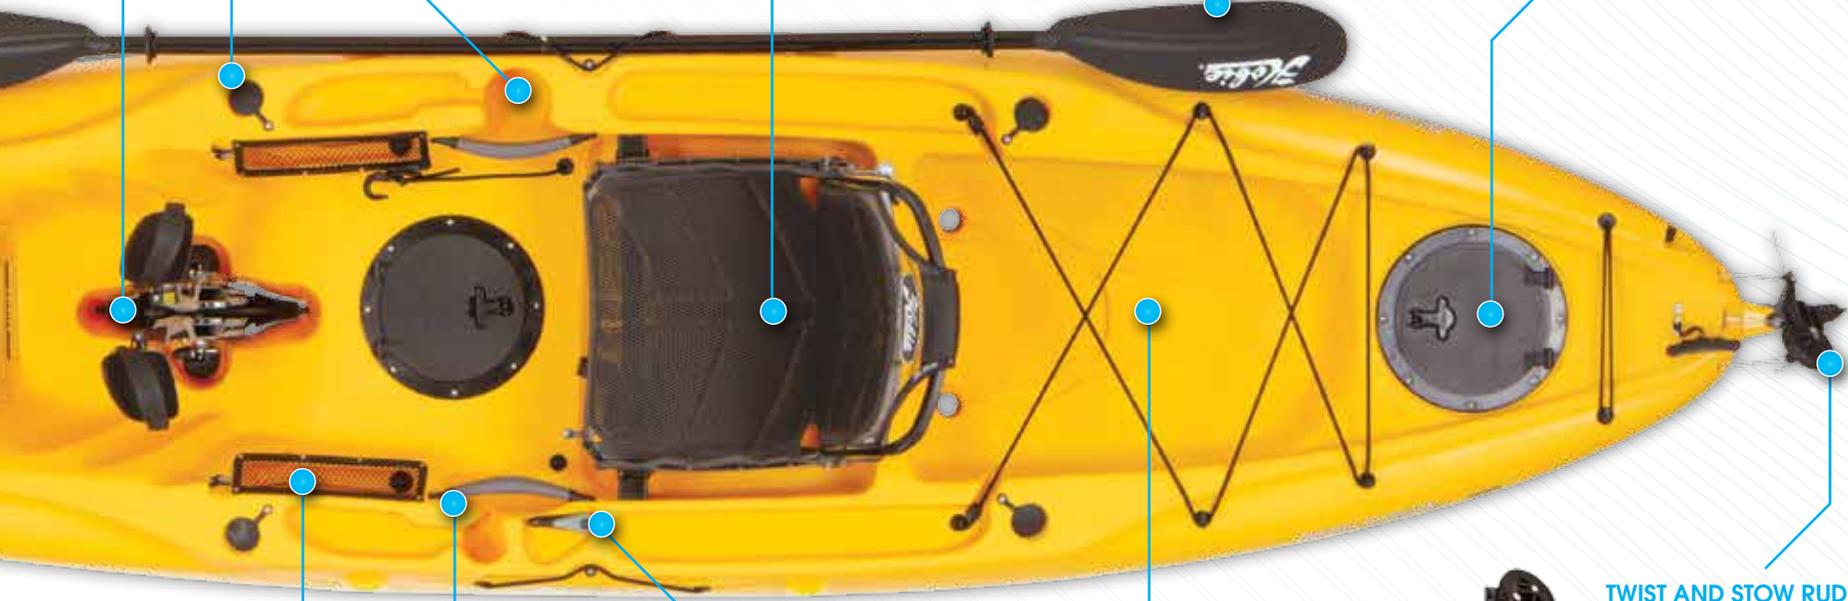

TWO-PIECE PADDLE WITH FIBERGLASS SHAFT

Negotiate surf-strewn beaches and rocky inlets with additional confidence, or go old school and paddle for an upper body workout. Conveniently clips onto the hull when not needed.

TWIST AND SEAL HATCH

An efficient corkscrew mechanism ratchets down this hatch, keeping stowed items secure irrespective of the sea state. The lid is permanently attached to its base via a hinge, so you don't have to worry about leaving it at last night's campground.

MESH-COVERED STORAGE POCKETS

Easy access and safe stowage for the things you reach for most. Never miss that photo op again!

MID-BOAT CARRYING HANDLES

These ergonomic handles are bolted onto either side of the kayak's cockpit, making it easier to negotiate launching ramps or transport.

RUDDER CONTROL

Soft handle makes fingertip steering easy.

CARGO AREA

Big adventures demand plenty of gear. These molded areas and Bungee tie-downs ensure that it's still there when you get to camp.

TWIST AND STOW RUDDER

Hobie's Twist and Stow Rudder is there when you need it, gone when you don't. Simply pull one of the T-shaped control handles to engage or disengage the retractable-rudder system. Fingertip-operated steering is fitted near your left hand, making driving a snap.

SPORT

The Mirage Sport is Hobie's most compact kicker, an easy to store and transport 9' long kayak. Perfect for pocket water, the cheerful Sport is still plenty of kayak, accommodating users of most heights. It offers every one of Hobie's signal features, including one-of-a-kind Mirage pedal propulsion, the incredibly adjustable Vantage CT seat, and like all Hobie kayaks rotomolded from durable polyethylene, dual rod holders. This small kayak has a big heart that equally loves pleasure cruising and teasing bass in the sticks.

SPECS:

Crew: 1
Length: 9' 7" / 2.92 m
Width: 29.5" / 0.75 m
Capacity*: 225 lbs / 102 kg
Fitted Hull Weight*: 53 lbs / 24.04 kg
Fully Rigged Weight*: 66.3 lbs / 30.07 kg
Hull Construction: Rotomolded Polyethylene
Lowrance® Ready System included*

*Refer to website for complete details

The **Sport** offers hands-free MirageDrive motivation and the cushy Vantage CT seat in a **compact, capable package.**

MIRAGE SERIES

The **Outback** owes its enduring popularity to an ideal blend of stability, mobility and flat-out fish-catching utility.

OUTBACK

A do-everything sporting powerhouse, Hobie's Mirage Outback is large enough to carry plenty of fishing tackle, camera gear or even a date night picnic, with exceptional hands-free maneuverability. Built around the comfortable Vantage CT seat, the Outback is so stable you might be tempted to stand when you cast. Studded with thoughtful features such as molded-in rod holders, generous below deck storage options, and the smooth Twist and Stow rudder, the versatile Outback is ready for your outdoor adventure.

SPECS:

Crew: 1

Length: 12' 1" / 3.68 m

Width: 33" / 0.84 m

Capacity*: 400 lbs / 181 kg

Fitted Hull Weight*: 75 lbs / 34.02 kg

Fully Rigged Weight*: 88.3 lbs / 40.05 kg

Hull Construction: Rotomolded Polyethylene

Lowrance Ready System included*

*Refer to website for complete details

REVOLUTION® 11

With the MirageDrive with Glide Technology powering the way, the “Revo 11” is a lightweight galloper that slides easily through wind and waves. Ideal for small-to-midsized kayakers, or bigger kayakers out for an unencumbered cruise, the Revolution 11 allows you to adroitly stalk fish and confidently explore reefs. With generous belowdeck stowage, smart rigging on top (what’s a kayak trip without a cold drink right at hand?), and optional sailing kit, the Revolution 11 is ready to roam.

SPECS:

Crew: 1

Length: 11' 6" / 3.51 m

Width: 29" / 0.74 m

Capacity*: 275 lbs / 125 kg

Fitted Hull Weight*: 57 lbs / 25.85 kg

Fully Rigged Weight*: 70.3 lbs / 31.89 kg

Hull Construction: Rotomolded Polyethylene

*Refer to website for complete details

Casting, sailing, or capturing
your next photo, the **Revolution 11**
has you covered.

MIRAGE SERIES

REVOLUTION 13

A cruiser capable of taking on boisterous water, the Revolution 13 is a smooth, stable kayak that feels like one—oozing go-all-day creature comforts such as the Vantage CT seat. It is catchy too, with dual rod holders and plentiful tackle storage. If you crave a change of pace from hands-free MirageDrive motivation and pick up the paddle, the “Revo 13” still makes tracks. If this is a floating SUV, it’s one that loves a twisty, challenging track. The lightweight, rotomolded hull sings when under optional Sail kit power.

SPECS:

- Crew:** 1
- Length:** 13' 5" / 4.09 m
- Width:** 28.5" / 0.72 m
- Capacity*:** 350 lbs / 159 kg
- Fitted Hull Weight*:** 69.5 lbs / 31.52 kg
- Fully Rigged Weight*:** 82.8 lbs / 37.56 kg
- Hull Construction:** Rotomolded Polyethylene
- Lowrance Ready System included***

*Refer to website for complete details

The versatile **Revolution 13** offers kicked-up kayak performance and catchy capabilities.

REVOLUTION 16

Sleek. The Hobie Mirage Revolution 16 boasts a long, lean hull that's low on drag and big on speed, allowing you to glide along at speeds that are typically reserved for far more fragile kayaks. But instead of requiring constant babying, the Revo 16's rugged, rotomolded polyethylene hull stands ready to brave any beach. Consider the Revo 16's range and speed—coupled with creature comforts such as ergonomic carrying handles and its comfortable, Vantage GT seat—and the advantages are obvious. With a 16' hull design for touring or fishing at speed plus MirageDrive power, covering distance with ease is the Revo 16's game.

SPECS:

Crew: 1

Length: 16' / 4.88 m

Width: 27.5" / 0.7 m

Capacity*: 350 lbs / 159 kg

Fitted Hull Weight*: 75.5 lbs / 34.25 kg

Fully Rigged Weight*: 88.8 lbs / 40.28 kg

Hull Construction: Rotomolded Polyethylene

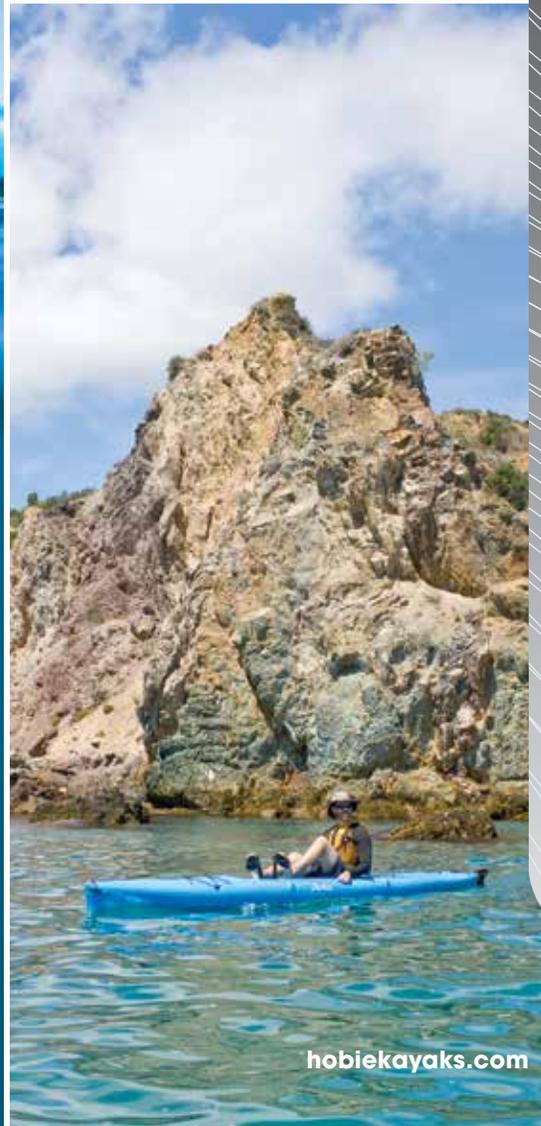

Lowrance Ready System included*

*Refer to website for complete details

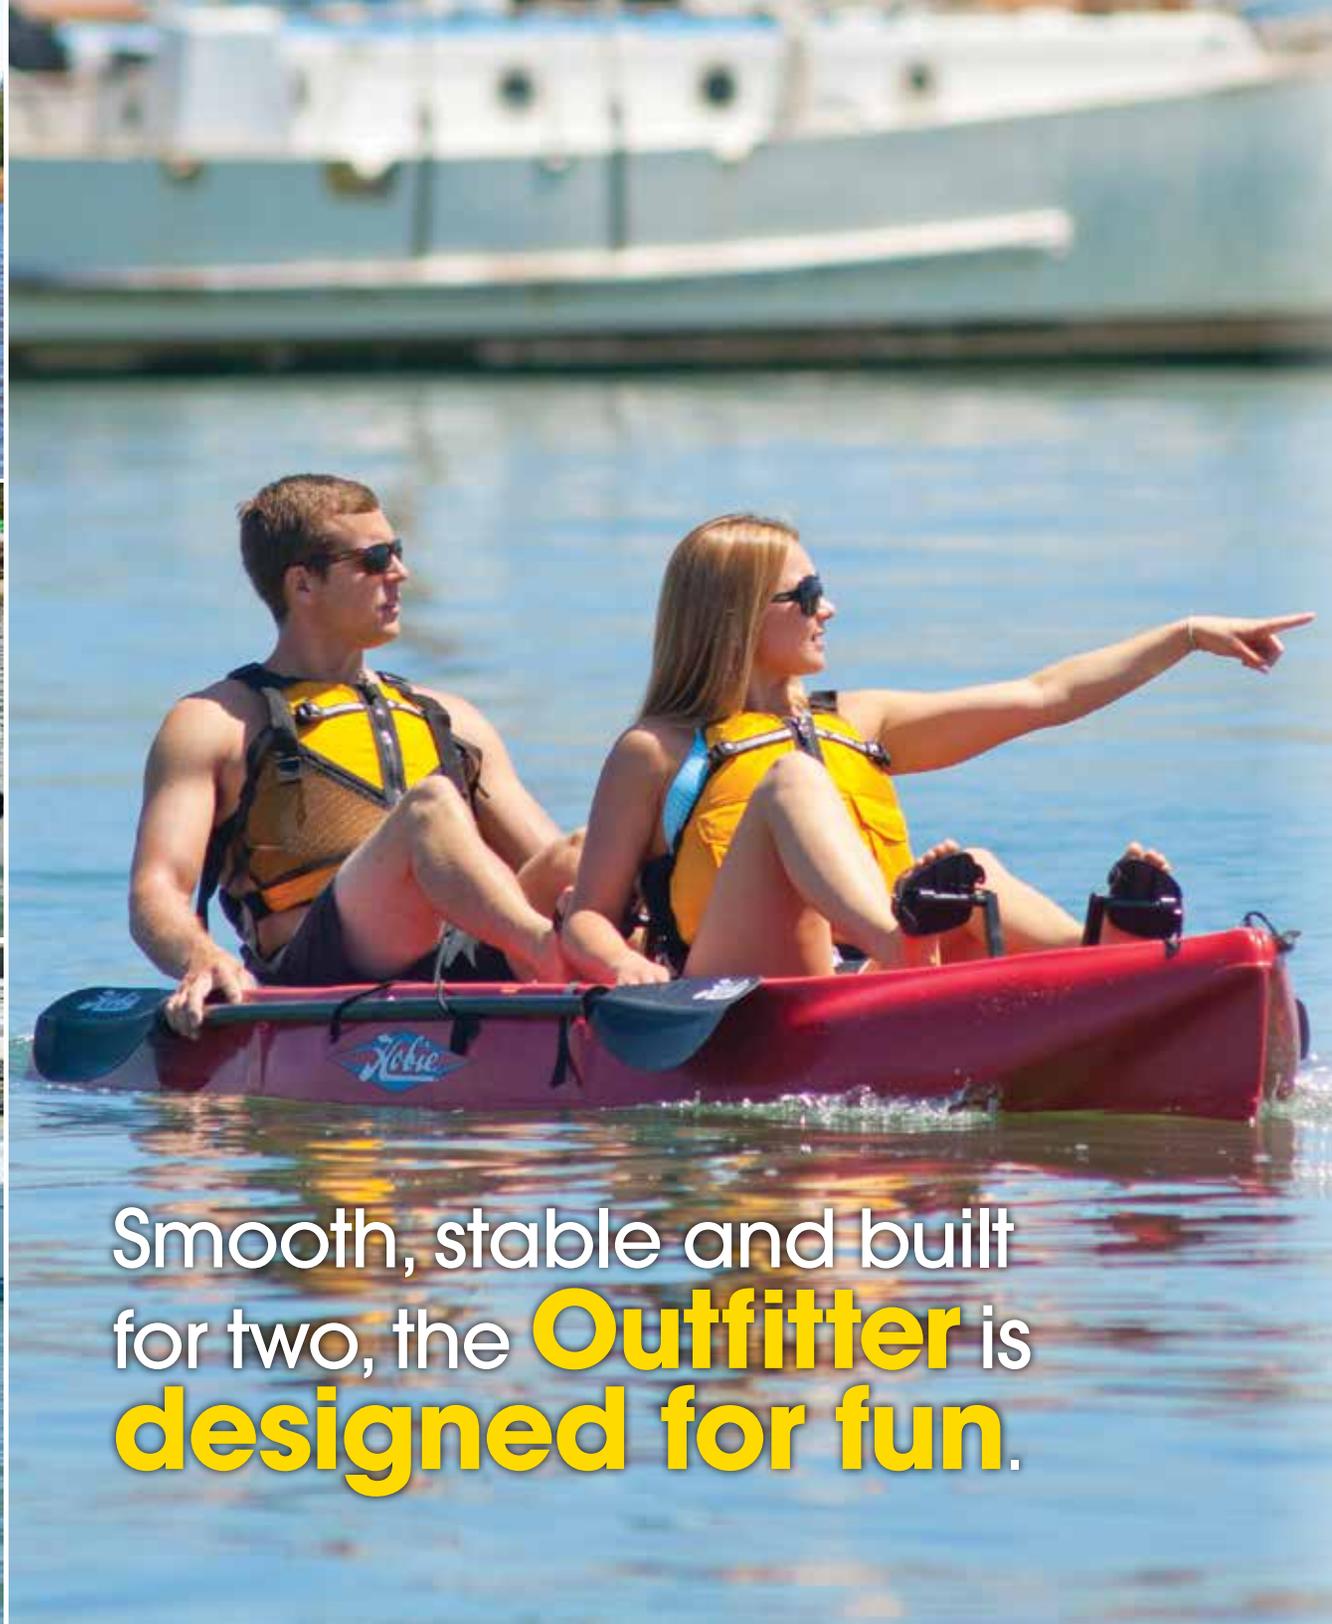

The **Revolution 16**
is built to **go far** and
get there fast.

MIRAGE SERIES

Smooth, stable and built for two, the **Outfitter** is designed for fun.

OUTFITTER

Fun alone and even more fun with a friend, the Hobie Mirage Outfitter is the ideal all-day boat. The design brief was simple: create an easy-to-use, performance-minded, rotomolded polyethylene kayak that provides years of reliable service. Built-in drink holders and utility trays, dual helms and MirageDrives—plus a mast step for the optional Sail kit—give the Outfitter serious legs, and the boat's wide beam, relative to its tidy length, delivers a stable, stowable and comfortable platform.

SPECS:

Crew: 1-2

Length: 12' 8" / 3.86 m

Width: 34" / 0.86 m

Capacity*: 425 lbs / 193 kg

Fitted Hull Weight*: 86 lbs / 39.01 kg

Fully Rigged Weight*: 111.6 lbs / 50.62 kg

Hull Construction: Rotomolded Polyethylene

Whether solo or with a friend,
you'll be amazed at how well
the **Oasis performs.**

MIRAGE SERIES

OASIS®

Long, feature-filled, and designed to perform just right, the Oasis boasts quick acceleration and impressive cruising speeds, without sacrificing its capacity for hauling gear. Three enclosed stowage areas, a generous on-deck cargo area that's ready for an optional Hobie Livewell—plus molded rod holders—provide maximum flexibility when it comes to choosing adventures big and small. Whether it's a long weekend of float casting with friends or camping with the family, the Oasis gets the job done in style and comfort.

SPECS:

Crew: 1-2

Length: 14' 6" / 4.42 m

Width: 33" / 0.84 m

Capacity*: 550 lbs / 249 kg

PRO ANGLER 12

When the angling agenda calls for a stable, capable fishing platform, the Hobie Mirage Pro Angler 12 stands ready. Its innovative hull design allows you to confidently stand and cast, and its fishing-specific deck configuration accommodates six rods (two vertically; four horizontally) while allowing immediate access to tackle. Generous bow stowage swallows gear, and the Livewell-ready, Bungee-secured stern cargo area increases versatility. The Turbo Bluefins-equipped on the MirageDrive with Glide Technology enables efficient locomotion, and the adjustable Vantage ST Seat comfortably supports big adventures. Also includes a retractable tracking keel and H-Rail mounting system.

SPECS:

- Crew:** 1
- Length:** 12' / 3.66 m
- Width:** 36" / 0.91 m
- Capacity*:** 500 lbs / 227 kg
- Fitted Hull Weight*:** 98 lbs / 44.4 kg
- Fully Rigged Weight*:** 120 lbs / 54.4 kg
- Hull Construction:** Rotomolded Polyethylene
- Lowrance Ready System included***

PRO ANGLER 14

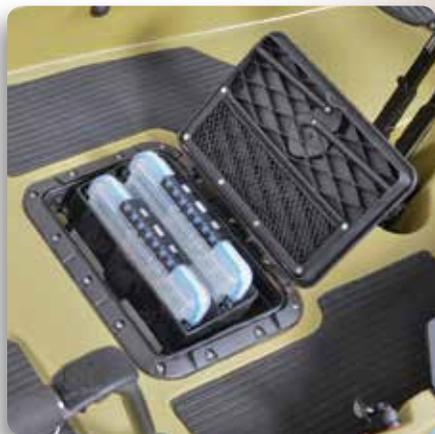

Fish be warned: the Hobie Mirage Pro Angler 14 excels at helping anglers land prizes of every fin, stripe and color. Whether it's a day of drift casting, dry flying, or exploring new saltwater haunts, the boat's super-stable, standing-friendly, rotomolded polyethylene hull encourages all styles of fishing. The Pro Angler 14's feature-laden deck packs the essentials—from an easy-to-reach center hatch, to the fully adjustable Vantage ST Seat, to stowage for multiple Plano® tackle boxes—for years of blissful fishing. Also includes a retractable tracking keel and H-Rail mounting system.

Large Twist and Seal hatch with pivoting tackle management system.

"Lowrance Ready" built-in transducer mount with pre-installed through-hull cable plugs. Fits most fish finder transducers.

Purpose-designed
to help you **catch fish.**

The NEW **Hobie Mirage Pro Angler 17T** takes fishing to a **new level**

The award-winning Hobie Mirage Pro Angler series is so popular that we decided to produce another design that allows two anglers to fish in the same boat. The new Hobie Mirage Pro Angler 17T is a fishing machine with comfort, stability and room for everything you need. Plus it's powered by the world-renowned patented Hobie MirageDrive pedal system. You'll have the choice to set up the fully adjustable Vantage XT Seating (extra tall), in the in-line tandem configuration, face-to-face social tandem, or as a single. The PA17T is the perfect platform to teach a young one how to fish, take your family member out, or simply fish hard with your best fishing buddy. Fishing rod storage both front and rear holds up to 12 rods, and the new H-Rail System allows you to customize accessory placement. Both users can stand and fish in comfort and each cockpit is fitted with a large rectangular hatch with pivoting tackle management system; there's even additional under-seat storage for bringing plenty of tackle boxes. The Lowrance Ready feature with pre-

installed thru-hull cable plug outlets makes adding most fishfinders easy. Use it "guide style" where the aft passenger provides MirageDrive power and puts the front angler on the fish or add an optional trolling motor to use it like a bass boat. Add the optional Livewell XL for storing your catch or taking plenty of live bait. The hull will cut through ocean swells and the drop down skeg provides solid tracking over long voyages. With three rudder control steering handles, you can position the boat from any seating location while you or your buddy battles the big one. This vessel has found its niche through human propulsion via the new MirageDrive with Glide Technology and Turbo Bluefins, the ability to launch in no-motor zones or areas with no boat ramp, and minimal maintenance thanks to its durable polyethylene hull and rigid components. It's all about getting out there as often as possible... the Pro Angler 17T is waiting for you and a friend to explore new waters and better your biggest catches.

SPECS:

Crew: 1-2

Length: 17' / 5.18 m

Width: 43.5" / 1.1 m

Capacity*: 900 lbs / 408 kg

Fitted Hull Weight*: 185 lbs / 84 kg

Fully Rigged Weight*: 230 lbs / 104 kg

Hull Construction: Rotomolded Polyethylene

Lowrance Ready System included*

Having a Hobie Day.**

Choose the right set-up for every situation

Pro Angler 17T Seating Configurations

Everyone has their own style of fishing and a specific way they like to rig their boat. The PA17T provides three different seating configurations to suit your needs; traditional in-line tandem, face-to-face social tandem, or solo. There's plenty of deck room and options available to customize your next trip, whether single or with your best friend.

In-line Tandem

Social Tandem (face-to-face)

Solo

H-Rail

A new and unique mounting system to customize your Hobie. The patent pending design, dodecagon (12-sided) extrusion allows for 30 degrees of adjustment per pivot point. A large selection of accessories can be secured, adjusted or removed in seconds with the H-Rail clamping feature.

The PA17T includes the following H-Rail accessories:

Two H-Rail Mounting Plates

Mount almost any accessory to the H-Rail using this universal mounting plate. It's durable, easy to drill through and flat on the top and bottom, allowing bolts, nuts and washers to fit snugly.

Two H-Rail Rod Racks

Designed for additional horizontal storage. Padding on the interior protects your investment, plus rod retainers secure your rods in position for easy access, surf landings or transport. When rotated, the Rod Rack can be used for storing other accessories like a paddle, sail or stakeout pole.

Two H-Rail Cup Holders

Always have your favorite beverage conveniently located and secure.

Large Rudder and Tracking Skeg

Use the rudder to steer and maneuver your boat into position to make that perfect cast. Deploy the tracking skeg when covering long distances in challenging conditions. There are three rudder control steering handles with one located at each possible seating position.

Battery Platform

Specifically designed to house a large 12V trolling motor battery or for holding a small cooler or crate for bringing extra gear.

Three Large Rectangular Hatches w/ Pivoting Tackle Management System

Large Twist and Seal rectangular center hatch with pivoting tackle storage provides access to plenty of in-hull storage (each holds two medium Plano tackle boxes) (two included per boat).

Lowrance Ready

"Lowrance Ready" built-in transducer mount with pre-installed thru-hull cable plugs. Install your fishfinder in minutes without gluing transducers or drilling holes in your boat, plus you get the most accurate readings from your sonar.

H-Rail

H-Rail is a durable, lightweight, patent pending mounting system for quickly and easily securing a complete line of H-Rail accessories.

Anchor Trolley System Ready

Eight brass inserts strategically placed fore and aft on the right and left sides of the hull, ready to install an optional anchor trolley kit, for anchor, drift chute, or stakeout pole.

The Hobie Mirage Pro Angler 17T - feature loaded and unmatched versatility

Two Vantage XT Seats

Vantage XT takes comfort to new levels with back, bottom, Boa lumbar and kick stand height adjustability. Made with breathable mesh and extruded aluminum, it lets your skin breathe naturally, while providing a strong and durable frame, in the boat or on the shore.

Two MirageDrives w/ Glide Technology and Turbo Bluefins

Bio-inspired, revolutionary design, world-renowned hands-free propulsion, with no paddle needed. Adjustable for a wide range of pedalers. New Bluefins retract against the hull for shallow water and easy beach landings. Durable construction of composite materials and stainless steel masts. Quick and easy "Click and Go" installation and removal for transport and storage. New Glide Technology offers reduced resistance and increased efficiency.

Fishing Rod Storage

Designed to store up to twelve rods. Ten horizontal tubes keep rods protected, handy to use, but out of the way, plus two vertical rod holders in the stern, great for trolling, a net or stakeout pole.

Large Front Hatch w/ Removable Liner

Large-opening storage area offers easy access for storing fish or ice and can be removed for cleaning. Or, if you like, store your jacket, extra tackle and food for the day.

ADVENTURE ISLAND

MIRAGE ISLAND SERIES

Three boats in one, the **Adventure Island** blends timeless design with **Hobie innovation.**

An absolute joy on the water, the Hobie Mirage Adventure Island is an impressively approachable trimaran sailing kayak. Ride the wind: A roller-furling, vertically battened mainsail provides lift, a retractable centerboard prevents lateral slip, and the larger amas tuck parallel against the rotomolded polyethylene hull for docking. Multiple hatches, on-deck stowage and Vantage CT Seating encourage multi-day adventures, and the MirageDrive with Glide Technology offers paddle-free locomotion when the wind scatters, making it easy to get home. The "AI" is an exceptional bluewater-capable fishing platform. Equip the accessory trampoline kit for walk-around stability. Flexible too; use it with just a single ama or leave the sail at home to pedal or paddle.

4-Way
Adjustable
Vantage CT
Seating

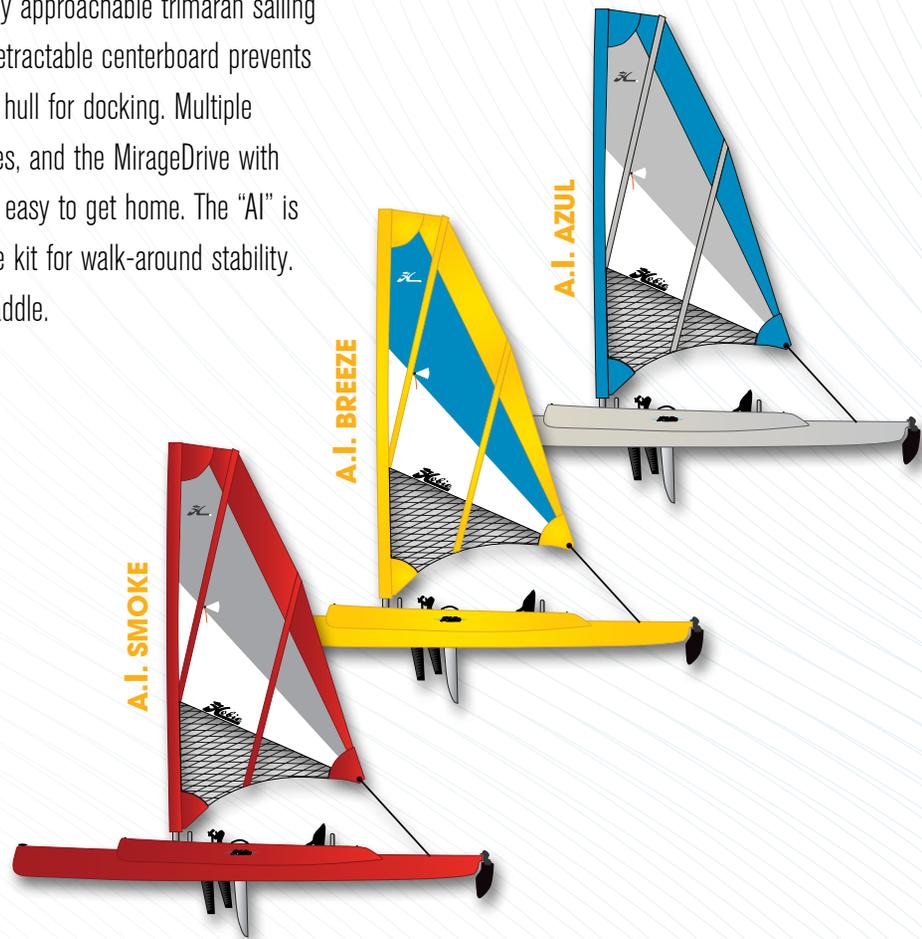

STANDARD FEATURES:

- MirageDrive with Glide Technology and Turbo Bluefins
- Two color-coordinated amas w/ aka crossbars
- Fully-battened, boomless mainsail
- Patented roller-reefing sail with full-length vertical battens
- Two-piece mast, full-length mast/sail storage bag
- Harken blocks, all lines and sailing hardware
- Built-in, fully retractable, kick-up centerboard
- Kick-up Island rudder
- Two-piece paddle with fiberglass shaft
- 4-way adjustable Vantage CT Seating
- Large covered bow hatch with Bungee tie-downs
- Two 8" "Twist and Seal" hatches
- Gear bucket
- Stern cargo area with Bungee tie-downs

TANDEM ISLAND

The puff of wind hits and the Hobie Mirage Tandem Island's leeward ama chisels into the water, its efficient, square-topped mainsail immediately translating increased wind speed into extra boat speed. The Tandem Island's two-piece carbon-fiber rig minimizes weight aloft—thus stiffening the ride—and both cockpits are fitted with steering and sail-handling controls, allowing sailors of all abilities to share the experience. Best yet, the Tandem Island is equipped with enough hatches and on-deck stowage for multi-day escapes. This is Hobie's ultimate blue water hunter, capable of marlin-teasing trolling speeds.

4-Way Adjustable Vantage CT Seating

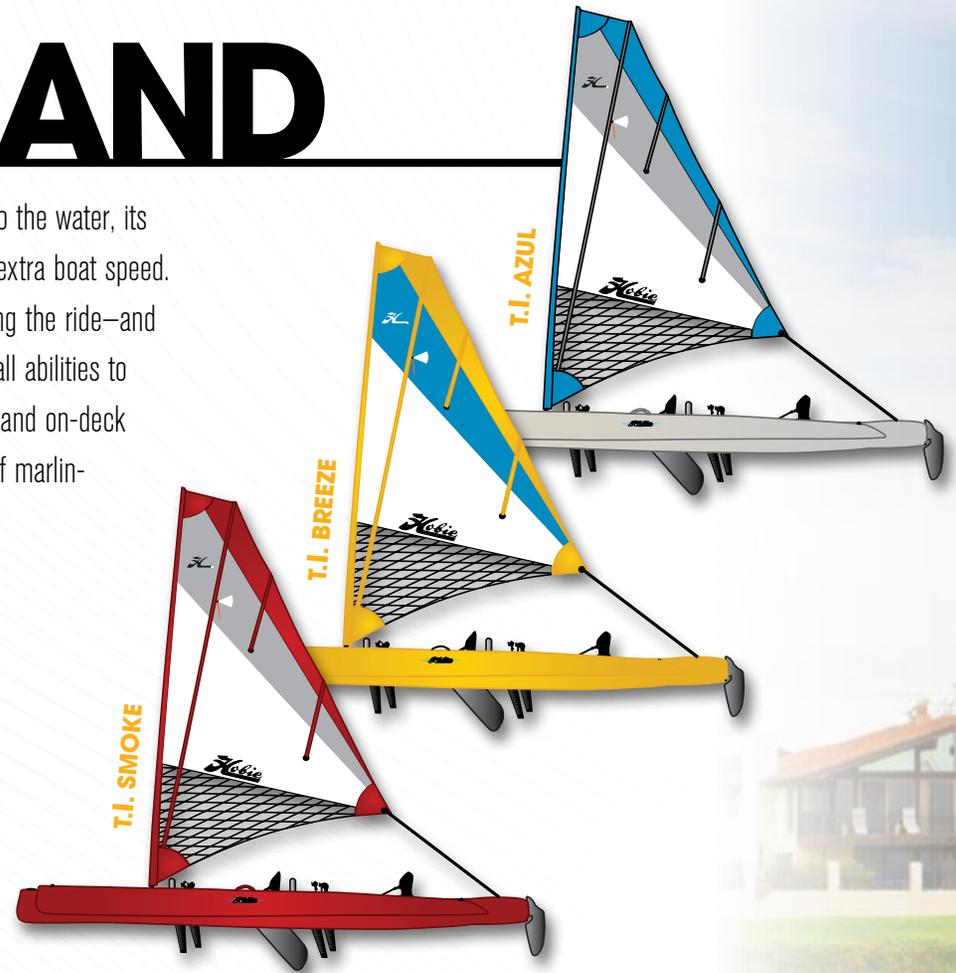

STANDARD FEATURES:

- Two MirageDrives with Glide Technology and Turbo Bluefins
- Two-piece carbon-fiber mast
- Roller-furling, boomless mainsail
- Easily retractable/removable, color-coordinated amas
- Deck-mounted aka crossbars
- Built-in, fully retractable, kick-up centerboard
- Kick-up Island rudder
- Fingertip steering control at both cockpits
- Sheets lead to both cockpits
- Two 4-way adjustable Vantage CT seats
- Two 2-piece paddles with on-aka storage
- Harken blocks, all lines and sailing hardware
- Rear cargo compartment with Bungee tie-downs
- Large forward storage hatch
- Three 8" "Twist and Seal" hatches
- Two molded-in rod holders
- Four mesh-covered stowage pockets
- Four cup/bottle holders
- Four molded carrying handles
- Lowrance Ready system

OPTIONS:

Plug-in cart, aka trampoline kit, livewell, Hobie eVolve powered by Torqeedo electric motor kit, aluminum trailer, beach wheels/dolly

SPECS:

- Crew: 2
- Length: 18' 6" / 5.64 m
- Beam w/ Amas Out: 10' / 3.05 m
- Beam w/ Amas Folded In: 4' / 1.22 m

for storage

Rolling
travel bag

Hobie Mirage i9S

convenience, portability and a great ride.

i9S

Hobie's i9S was specifically designed for would-be kayakers who are shy on spare acreage but who dream of spending their time kayaking, fishing or sailing (via the optional Sail kit). The i9S' on-the-water performance rivals that of rigid boats, and its rugged, PVC-vinyl construction and reinforced underside eliminate fears of rocky beaches. A wheeled travel case makes transporting a snap and enables stowage on an RV, car or yacht.

Capacity*: 325 lbs / 147 kg

Fitted Hull Weight*: 48.5 lbs / 22 kg

Fully Rigged Weight*: 66.5 lbs / 30.16 kg

Bag Dimensions: 30" x 25" x 12" / 76 x 64 x 30 cm

Hull Construction: 1000 Denier PVC

*Refer to website for complete details

i12S

Not too big, not too small and infinitely transportable. The i12S' well-proportioned, PVC-vinyl hull offers speed without sacrificing stability, and an enclosed forward hatch and an above-deck, Bungee-secured storage area provide generous hauling capacity—perfect for weekend escapes or provisioning trips ashore from the family cruiser. The i12S' MirageDrive delivers all-day comfort and performance.

SPECS:

- Crew:** 1
- Length:** 12' / 3.66 m
- Width:** 36" / 0.91 m
- Capacity*:** 500 lbs / 227 kg
- Fitted Hull Weight*:** 61.5 lbs / 27.9 kg
- Fully Rigged Weight*:** 80.5 lbs / 36.51 kg
- Bag Dimensions:** 36" x 25" x 12" / 91 x 64 x 30 cm
- Hull Construction:** 1000 Denier PVC

The **i12s** delivers **comfort,**
speed, and **performance.**

MIRAGE INFLATABLE SERIES

The **i14T** is the **ultimate** two-person, **inflatable touring kayak.**

i14T

Wonderful alone, even better with a friend or family member, the Hobie i14T is the ultimate two-person, inflatable touring kayak. Two MirageDrives simplify locomotion, and an optional Sail kit enables you to enjoy everything from a sunrise paddle to an all-day, multi-sport adventure. The i14T's wheeled storage bag and its pump make hauling, storing and inflating the boat a snap. Its rugged, PVC-vinyl build and rubberized underside—coupled with its easy-to-grip carrying handles—facilitate smooth launching, landing and portaging.

SPECS:

Crew: 1-2

Length: 14' / 4.3 m

Width: 36" / 0.91 m

Capacity*: 550 lbs / 249 kg

Fitted Hull Weight*: 70.5 lbs / 31.98 kg

Fully Rigged Weight*: 102 lbs / 46.26 kg

Bag Dimensions: 48" x 25" x 12" / 122 x 64 x 30 cm

Hull Construction: 1000 Denier PVC

*Refer to website for complete details

HOBBIE PADDLE SERIES

The **Lanai** is small, **sporty**
and nimble.

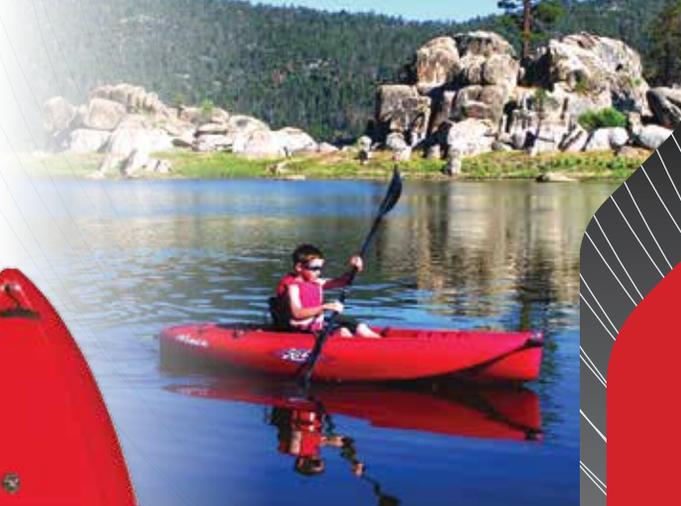

LANAI

The Hobie Lanai glides smoothly and efficiently, despite its diminutive waterline measurement. A clever, rotomolded polyethylene hull maximizes form stability while minimizing drag, and the boat's clean deck layout emphasizes paddling bliss while stripping all unnecessary clutter. The Lanai's 9-foot bow-to-stern length is ideal for shorter paddlers but it also accommodates taller kayakers thanks to its molded foot braces. And at only 45 pounds, the Lanai is easy to car-top, trailer or even walk to the beach.

SPECS:

- Crew: 1
- Length: 9' / 2.74 m
- Width: 30" / 0.76 m
- Capacity*: 250 lbs / 113 kg
- Fitted Hull Weight*: 45.5 lbs / 20.64 kg
- Fully Rigged Weight*: 50.7 lbs / 23.00 kg
- Hull Construction: Rotomolded Polyethylene

*Refer to website for complete details

PADDLE SERIES

The **Quest 11** is a **classic**, paddle-powered **casting kayak**.

QUEST 11

SPECS:

- Crew: 1
- Length: 11' 1" / 3.38 m
- Width: 29" / 0.74 m
- Capacity*: 300 lbs / 136 kg
- Fitted Hull Weight*: 52.5 lbs / 23.81 kg
- Fully Rigged Weight*: 57.7 lbs / 26.17 kg
- Hull Construction: Rotomolded Polyethylene

*Refer to website for complete details

Everything you need—nothing extraneous. A rotomolded polyethylene hull, adjustable foot braces and a super-comfy seat ensure a comfortable ride, while the boat's tidy geometry emphasizes efficient hydrodynamics. The Quest 11's angler-friendly pedigree includes covered bow stowage, molded rod holders and a generous stern cargo area that allows you to haul everything from optional tackle and crate systems to a Hobie Livewell.

The Quest 13 is feature-filled for the dedicated fisherman.

QUEST 13

While the Quest 13 is ideal for touring and exploring, you only have to cast once to understand its value as a potent angling tool. The rotomolded polyethylene hull features generous belowdeck stowage, ample space for tackle boxes or tents, plus molded rod holders for trolling. A large, Bungee-secured stern cargo area accommodates everything from optional tackle to a Hobie Livewell, and an optional Twist and Stow rudder with foot steering control keeps the bow pointed in the right direction.

SPECS:

- Crew: 1
- Length: 13' / 3.96 m
- Width: 28.5" / 0.72 m
- Capacity*: 350 lbs / 159 kg
- Fitted Hull Weight*: 66 lbs / 29.94 kg
- Fully Rigged Weight*: 71.2 lbs / 32.30 kg
- Hull Construction: Rotomolded Polyethylene
- Lowrance Ready System included*

*Refer to website for complete details

The **Kona** is the **ideal** two-person paddle kayak.

KONA

SPECS:

Crew: 1-2

Length: 11' 6" / 3.51 m

Width: 34" / 0.86 m

Capacity*: 425 lbs / 193 kg

Fitted Hull Weight*: 67.5 lbs / 30.62 kg

Fully Rugged Weight*: 77.5 lbs / 35.15 kg

Hull Construction: Rotomolded Polyethylene

*Refer to website for complete details

The Hobie Kona is a round peg that fits many different holes: in two-person configuration, it provides a stable ride and snappy, spin-in-a-second performance; when paddling alone, the boat's molded center seat keeps the boat sitting on her lines. The Kona's rotomolded polyethylene hull couples a wide beam with a relatively short waterline, delivering the responsive, stable performance usually found on longer boats. Carrying handles and on-hull paddle storage simplify portaging, and the deluxe, adjustable padded seats support your back and encourage longer excursions.

The **Odyssey** is a **super-fun** ticket for the **whole crew**.

ODYSSEY

The Hobie Odyssey is the ultimate one or two-person paddling kayak that rewards clean strokes with range, speed and performance tracking. While the Odyssey carries a trim width relative to its sleek, 14-foot waterline, its cleverly designed rotomolded polyethylene hull provides ample form stability for casting, catching or getting a novice out on the water. Its impressive payload and smart deck configuration provide plenty of space for crew members and equipment, and the center seat ensures proper balance for solo outings.

SPECS:

Crew: 1-2

Length: 14' / 4.27 m

Width: 33" / 0.84 m

Capacity*: 550 lbs / 249 kg

Fitted Hull Weight*: 78.5 lbs / 35.61 kg

Fully Rigged Weight*: 88.5 lbs / 40.14 kg

Hull Construction: Rotomolded Polyethylene

*Refer to website for complete details

PADDLE SERIES

ACCESSORIES

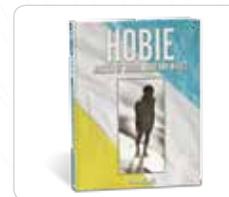

MIRAGE SAIL KIT

 #80046201 - PA/Uni - with beach wheels
 #80046200 - AI/II Dolly do w/ 42 cm beach wheels
 #80046100 - AI/II Dolly - with tuff tires
 #80046101 - PA/Unl - with tuff tires

ACCESSORIES

PARTS AND ACCESSORIES CATALOG

Check out the entire lineup in our Parts and Accessories Catalog at hobiecat.com.

HOBIE HI-BACK FISHERMAN

Ready and loaded, this new fishing and hunting vest is the ideal PFD. Comfort, safety, with all the necessities close at hand.
 #S6148XXX - Hi-Back Fisherman/Mango
 #S6149XXX - Hi-Back Fisherman/Cactus (XXX = size - SMD/LXL/XXL)

INFLATABLE LIFE JACKET

Extremely lightweight, cooler and more comfortable than typical PFDs. Functional design for multiple types of water sports like fishing, kayaking, and sailing.
 #S6779RG - Red/Grey
 #S6779TG - Tan/Grey
 #S6779MG - Mango

ROLL TOP DRY BAG

#B630808 - Roll Top blue
 #B630809 - Roll Top yellow
 10" diameter x 20"

ROD HOLDER EXTENSION

Easily slides into your boat's existing molded rod holders to add security, and to help hold reels higher above the water.
 #72020014 - Hobie Rod Holder Extension

HOBIE ROD LEASH

It's one thing if "the big one" gets away; it's a different story if you lose your favorite rod. Secure it with this leash.
 #74052001 - Hobie Rod Leash

ANCHOR TROLLEY KIT

Clever messenger-cable system easily allows you to set your anchor, deploy your sea anchor or Stake-Out Pole from the cockpit. Makes it a cinch to perfectly position your boat without having to shimmy forward or aft to fasten lines.
 #72020073 - Anchor Trolley Kit Universal

ANCHOR KIT

Stay put when you want to with this 3.5 lb folding anchor. Kit includes 50 feet of line and a zippered stowage bag with end clips.
 #80035A - Anchor Kit

HOBIE DRIFT CHUTE

Perfectly control your drifting speed with this handy sea anchor.
 #72020009 - Hobie Drift Chute

STAKE-OUT POLE

Hold your position in shallow water with this vertical anchor. Just drive the pole into a sandy or muddy bottom and secure it to your bow, stern or Anchor Trolley Kit.
 #72076001 - Stake-Out Pole

LIVEWELL

This clever, quiet, 8-gallon unit is custom-designed to work with most all Hobie kayaks. Accommodates three rods, and comes fully assembled (including batteries and charger). Two more optional rod holders may be added.
 #72020007 - Hobie Livewell

H-BAR

The H-Bar from Hobie adds utility and options to your Hobie Mirage Pro Angler. Designed with the stand-up angler in mind, the H-Bar not only provides standing stability, but a great support platform for entering and exiting your kayak.
 #84500111 - Hobie H-Bar / Pro Angler

GEAR BUCKET

The ultimate utility tray. Perfectly organizes tackle, tools, parts and easily fits into existing 8" Twist and Seal hatches.
 #71704001 - Hobie Gear Bucket
 #71704021 - Deep Hobie Gear Bucket

HUNTING ACCESSORIES

Organize your gun kit and make yourself and your boat virtually disappear with Hobie's hunting accessories. It's the next best thing to an invisibility cloak.
 #72020013 - Gun Mounts
 #72730003 - Dodger Camo (fits Pro Angler)

SIDEKICK

Perfect for anyone seeking more stability. Fits most all Hobie kayaks and works with other kayak designs as well.
 #72062101 Sidekick Ama Kit - Light Grey
 #72063101 Sidekick Ama Kit - Dark Green

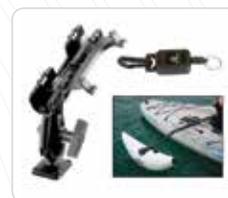

ULTIMATE FISHING PACKAGE

Fishfinder package, Hobie Gear Bucket (3 packs), RAM Tube Rod Holder, Anchor Trolley Kit, (2) Hobie rod holder extensions, (2) Rod leashes
 #72020021 - Ultimate Fishing Package

FISHFINDER PACKAGE

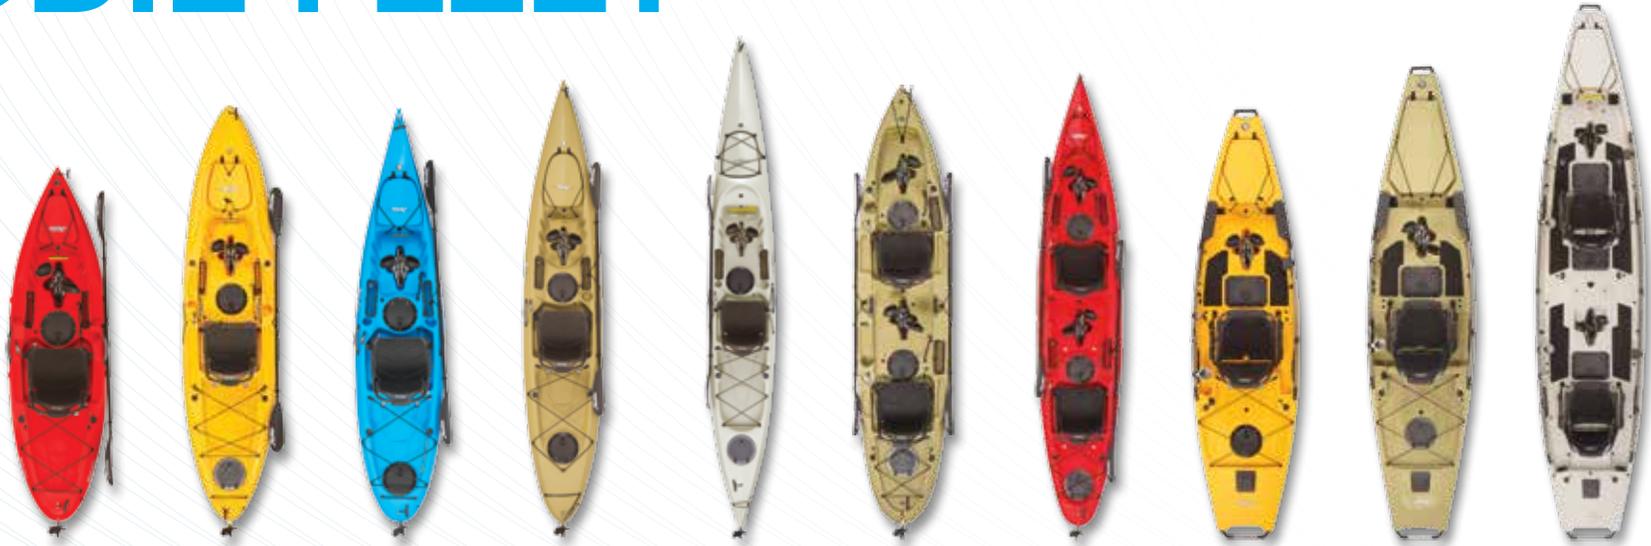

Includes Lowrance X-4 Pro Fishfinder, Ram Mount and Hobie installation kit (kayak specific).
 #72020020 - Fishfinder Package

FLY FISHING PACKAGE

Hobie Sidekick, Ram fly-rod holder, Large Hobie Gear Keeper
 #72020022 - Fly Fishing Package

A photograph of two people kayaking on a clear, turquoise lake. The kayaker in the foreground is wearing a dark jacket and a white cap, sitting in a yellow Hobie kayak. The second kayaker is further back, wearing a red jacket and a dark cap, also in a yellow Hobie kayak. The water is crystal clear, showing the rocky bottom. In the background, there are large rocks and a clear blue sky.
